

47 ACRES BROWN CO. LAKE FRONT HUNTING!

- LAKE BROWNWOOD, Texas

Property [Description](#)

47 ACRES BROWN CO. LAKE FRONT HUNTING! Here is a great place that you can build a new home on or just come enjoy this amazing property. The back side of the property is Lake Brownwood frontage for great views across the lake. This property includes a 2008 40x80' shop with plumbing for a live quarters inside. It was being used to put an RV and boats in for storage but can be used for anything! You could even finish part of the shop out and have you a nice place to live out there. The land is covered in oak trees and would make a great hunting place. There are tons of wildlife on this property. The road access is a paved county road. Electric is on site and rural water is available on the road as well. If you are look for that very unique property you need to come take a look at this one! Contact us today for more info or to set up a showing!
